ENGINE					
Camshaft	Kent Cams				
camshaft timing gear					
camshaft timing gear lock bolt	yes				
Cam Followers	Arrow				
connecting rods				75hp	
crankshaft lock bolt washer	yes				
cylinder head gasket	copper/asbestos				
dynamotor bearings					
dynamotor brushes					
dynamotor main brush carrier					
exhaust downpipe to manifold castellated nut	yes			yes	
exhaust manifold (14 and 75hp)					Patterns for the 14 held by the club. Patterns for the 75hp at Swan Foundry Banbury
exhaust manifold gasket	yes			BD75	
exhaust systems					Stainless steel exhausts JP Exhausts Macclesfield 01625 619916
front engine mounting bolts (standard 22mm and BSF 7/8th for worn engine block)	yes				
head gasket	copper/asbestos (not 14hp)				See services for other suppliers
inlet manifold				18 & 23 hp	
inlet manifold gasket	yes (not 14hp)				
main bearing shells	to be white-metalled (not 14hp)				
oil connection for blue light switch, gearbox oil feed, oil pressure gauge	yes				
oil connection - domed nut with washer groove for the above	yes				
oil filter					
oil filter conversion	full flow to take Renault filter canister with spring base and seal ring				
oil filter housing (bronze) - standard	yes				
oil pump gears	oversize to be ground down to suit worn housing preferably by DVP +/-400				
oil pump drive gears	yes				
pistons					
pushrods	made to length				
radiator					0161 202647

radiator rubbers					
radiator thermostat	new and reconditioned (not 14hp)		75/90		
rocker box	yes (not 14hp)				
rocker cover gasket					
rubber rings rad pipe					
spark plugs					Tim Green 01477 532317
thermostats					Anglia Radiators Gerry Marshall 01223 314444
timing gear					
valve cotters					
valve guides	yes (not 14hp)				
valve rocker	hardened swivel end - oversize (105/110)				
valve springs	yes (not 14hp)				
valves	inlet and exhaust (not 14hp)				
water drain tap adapter (to use with modern tap)	yes			14/45	
washer for top rad ring	yes				
water manifold					
water manifold gasket	yes (not 14hp)				
water pipe castle nuts and tapered washers	yes				
water pump drive gear housing	newly white metallised (p/ex)				Alistair Robinson NZ
water pump spindles and seal	yes				
IGNITION					
Delco Ignition components					WWW.flyingspares.com 01455 292949 / The Distributor doctor (Martin Jay) 01984 629540
charging switch					
rotor arm				yes	Intermotor 47800 Orig Lucas RA3 & DRB703
distributor cap					
ignition points					ebay as fitted to post war Vauxhalls/Triumphs - cut off lugs. New from Intermotor - 22830 Orig Lucas CS6 & DSB706 & Delco 1871678
points jig					
spark plug inserts 14mm to 18mm	yes			yes	07810090337
condensors					
FUEL SYSTEM					
carb floats					carburettor hospital
fuel pump (AC complete - p/ex base depending on condition of housing and seating of glass bowl)	yes		yes		
fuel pump diaphragm				yes	www.marxparts.com
Zenith jets			yes	yes	Gower & Lee www.gowerlee.dircom.co.uk 01923 247300
Air Filters					K&N RA0970 fits Zenith V1/2 www.knfilters.co.uk 01925 636950
GEARBOX (MANUAL)					
clutch drive springs	yes				
clutch plate	to be lined			14hp	
clutch plate centre	hardened				

silent third gear set close ratio, 1,1.26, 1.72,3.11:1, no reverse cluster					
M7 gearbox to flywheel bolts and washers	yes			75hp	
selector shaft lock balls and springs	yes				
GEARBOX (PRESELECTOR)					
Cush drive	re-rubberised old type (p/ex)				Cecil Schumacher
preselector lever springs	yes				
CHASSIS					
ball bearings - gearbox/back axle					
battery rack for 2 batteries	yes				
CWP	4:1 and 4.3:1				
CWP studs	yes				
D washers					
differential repair rings	carried out by DVP				
brake cables					Speedograph Richfield
brake drums					
brake shoes	p/ex - relined				
brake return springs	yes - front and rear				
felts and cup wahers for steering ball joints					
friction damper clamps for halfshaft tubes	yes				
front hub studs	yes				
front wheel bearings					
fuel filler cap - PL type				outer hub bearings	
king pins and bushes					
muff coupling	yes				
propshaft 9' 6" chassis	yes				
propshaft bearing clamps	yes				
propshaft bearing - ground to suit	yes				
propshaft gaiter	yes				
radiator cap - flip up type	casting to be machined				
ratchet handbrake					
rear hub studs	yes				
rear hubs	LH and RH sold as a set				
rear wheel bearings					
rev counter cable drive gear	yes				
rev counter cable drive gear housing	yes				
rev counter cable	yes				
silentbloc bushes for shock absorbers (Hartford)					
silentbloc bushes for springs					
speedo cable drive housing	yes				
speedo cable	yes				01159264235
starter handle flange boss	yes				
steering ball joints					
steering centre choke/throttle controls	yes.				

steering centre choke/throttle controls - levers	yes.				
steering wheel plastic covering					01524 423453
wheel balance weight buckets/cups - stainless with new studs,dome nuts, lock washer etc	yes.				
wheel nuts					
ELECTRICAL					
cut out - Rotax	recon - p/ex only				
electrical conduit with brass ferrules	yes				
Wiring & other components					Auto Electric Supplies www.autoelectricsupplies.co.uk 01584 819552
solenoid - Rotax contacts, springs, points	yes				new units to replace 90 year old Rotax held by TOC. Also from USA Delco replacement 1119844 series parallel switch www.mootorcityreman.com stock code 67-100-1
BODY					
aero screens VDP style	yes				
black plastic panel dash	yes				
Bonnet - alloy louvered sides	yes				
bonnet rod on bulkhead fixing	yes				
Desmo plastic lenses (pairs)					
headlamp & side lamp glasses (plastic repro)				yes	
headlamp flashes				yes	
lampbar cross stay dome nuts (stainless steel)	yes			yes	
radiator indicator bulb holders	yes				
windscreen castings PL and 90 type					
wings					0161 2026247
OTHER					
Spanners	yes			yes
